Commissioner for Patents

The "RESPONSE TO RESTRICTION REQUIREMENT" received 8/3/2004 is non-responsive because applicant has not fully complied with the Restriction and Election of Species requirements. The applicant has only elected Species V, claims 1-3, 9-11, and 17-18 for examination. However, he has NOT elected one of the inventions in the Restriction requirement. The Examiner reminds applicant that he must elect one of the inventions in the Restriction AND one of the species in the Election of Species requirement. Because applicant has made an bona fide attempt to reply to the Office Action, he is given another one month to fully comply with the Restriction and Election requirements.

If there are any questions, applicant is invited to call the Examiner at (703) 308-8351.
